

FORD KUGA PRICE LIST

Effective from 17th January 2024

Series Range

Titanium	WERS
Available as Petrol only	
17" Sparkle Silver Alloy Wheels	D2YBU
Full LED headlamps with LED Daytime Running Lamps	JBBAL
LED rear lights	JDAAB
Silver roof rails	BLYAX
Rear spoiler	BPFAJ
Power heated folding mirrors with puddle lights	BSHCZ
Rear privacy glass	B2GAE
Manual Tailgate	A7FAB
Standard suspension	DWAAF
Digital colour 12.3" instrument cluster	HCAAV
Ford SYNC 4 Navigation with 13" touchscreen, DAB radio, Emergency Assistance, Apple Carplay & Android Auto, 2 x USB & 6 speaker audio system, 5G modem & FordPass Connect	ICFAB
Front & rear parking sensors	HNKAB
Rear view camera	J3KAB
Electronic Automatic Temperature Control (EATC)	AC --G
Titanium Cloth seat trim with grey stitching	I3FZ7
8-Way Manual Adjust Driver's Seat	BYPAL
8-Way Manual Passenger Seat Including Lumbar Support & Height Adjust	BYQAL
2nd row sliding seats	BWGAD
	-
Keyless entry and Ford Power Start button (Keyless start)	CBGAL
Power front and rear windows with global closing	B2CAF
Quickclear heated windscreen	B3MAB
Pre-Collision Assist with Autonomous Emergency Braking	FBFAB
Cruise Control with Speed Limiter	GTDAB
Lane-Keeping Aid with Lane-Departure Warning	HLNAB
Recommended On The Road Price* from:	
£32,080	

Active	WERS
Available as Self-Charging Hybrid (FWD and AWD) and Plug-In Hybrid only	
18" Active Alloy Wheel with an Absolute Black and Machined Finish	D2UAJ
Full LED headlamps with LED Daytime Running Lamps	JBBAL
LED rear lights	JDAAB
Active body styling	CLFBW
Black roof rails	BLYAZ
Rear spoiler	BPFAJ
Power heated folding mirrors with puddle lights, memory function and camera	BSHC6
Rear privacy glass	B2GAE
Hands-Free Power Tailgate	A7FAL
Pop-Out Door Edge Protectors	BMSAB
	-
Active lifted suspension	DWAA3
Digital colour 12.3" instrument cluster	HCAAV
Ford SYNC 4 Navigation with B&O premium audio system, with 13" touchscreen, DAB radio, Emergency Assistance, Apple Carplay & Android Auto, 2 x USB & 10 speakers, subwoofer, 5G modem & FordPass Connect	ICFAC
Front & rear parking sensors	HNKAB
360-degree camera	J3KAH
Electronic Automatic Temperature Control (EATC)	AC --G
Partial premium touch Sensico Active seats with black neosuede inserts and grey stitching	IABE6
12-Way Ergonomic Power Adjust Driver's Seat with Memory (AGR certified)	BYPAH
12-Way Ergonomic Power Adjust Passenger Seat with Memory (AGR certified)	BYQAH
2nd row sliding seats	BWGAD
Keyless entry and Ford Power Start button (Keyless start)	CBGAR
Power front and rear windows with global closing	B2CAF
Quickclear heated windscreen	B3MAB
Pre-Collision Assist with Autonomous Emergency Braking, Evasive Steer Assist and Dynamic Brake Support	FBFAC
Adaptive Cruise Control (with Stop & Go with self-charging and plug-in hybrid powertrains)	GTDAK
BLIS (Blind Spot Information System)	HLLAH
Cross Traffic Alert when reversing with Emergency Brake Assist	HNYAB
Lane-Keeping Aid with Lane-Departure Warning, Lane Centering Assist included on all self-charging and plug-in hybrid powertrains	HLNAE
Recommended On The Road Price* from:	
£38,955	

ST-Line	WERS
Available as Petrol, Self-Charging Hybrid and Plug-In Hybrid	
18" ST-Line Rock Metallic Alloy Wheel	D2UEK
Full LED headlamps with LED Daytime Running Lamps	JBBAL
LED rear lights	JDAAB
ST-Line body styling	CLFA1
Black roof rails	BLYAZ
Large rear spoiler	BPFAH
Red brake callipers	FBBAM
Power heated folding mirrors with puddle lights, memory function and camera	BSHC6
Rear privacy glass	B2GAE
Hands-Free Power Tailgate	A7FAL
Pop-Out Door Edge Protectors	BMSAB
	-
Sport suspension	DWAA3
Digital colour 12.3" instrument cluster	HCAAV
Ford SYNC 4 Navigation with B&O premium audio system, with 13" touchscreen, DAB radio, Emergency Assistance, Apple Carplay & Android Auto, 2 x USB & 10 speakers, subwoofer, 5G modem & FordPass Connect	ICFAC
Front & rear parking sensors	HNKAB
360-degree camera	J3KAH
Electronic Automatic Temperature Control (EATC)	AC --G
Partial premium touch Sensico sports seats with black neosuede inserts and red stitching	I2AHM
12-Way Ergonomic Power Adjust Driver's Seat with Memory (AGR certified)	BYPAH
12-Way Ergonomic Power Adjust Passenger Seat with Memory (AGR certified)	BYQAH
2nd row sliding seats	BWGAD
Keyless entry and Ford Power Start button (Keyless start)	CBGAR
Power front and rear windows with global closing	B2CAF
Quickclear heated windscreen	B3MAB
Pre-Collision Assist with Autonomous Emergency Braking, Evasive Steer Assist and Dynamic Brake Support	FBFAC
Adaptive Cruise Control (with Stop & Go with self-charging and plug-in hybrid powertrains)	GTDAK
BLIS (Blind Spot Information System)	HLLAH
Cross Traffic Alert when reversing with Emergency Brake Assist	HNYAB
Lane-Keeping Aid with Lane-Departure Warning, Lane Centering Assist included on all self-charging and plug-in hybrid powertrains	HLNAE
Recommended On The Road Price* from:	
£37,380	

ST-Line X	WERS
Available as Petrol, Self-Charging Hybrid (FWD and AWD) and Plug-In Hybrid	
19" ST-Line Alloy Wheel with an Ebony Black and Machined Finish	D2VL5
Full LED headlamps with LED Daytime Running Lamps	JBBAL
LED rear lights	JDAAB
ST-Line body styling	CLFA1
Black roof rails	BLYAZ
Large rear spoiler	BPFAH
Red brake callipers	FBBAM
Power heated folding mirrors with puddle lights, memory function and camera	BSHC6
Rear privacy glass	B2GAE
Hands-Free Power Tailgate	A7FAL
Pop-Out Door Edge Protectors	BMSAB
Power Opening Panorama Roof	A1GAN
Sport suspension	DWAA3
Digital colour 12.3" instrument cluster	HCAAV
Ford SYNC 4 Navigation with B&O premium audio system, with 13" touchscreen, DAB radio, Emergency Assistance, Apple Carplay & Android Auto, 2 x USB & 10 speakers, subwoofer, 5G modem & FordPass Connect	ICFAC
Front & rear parking sensors	HNKAB
360-degree camera	J3KAH
Electronic Automatic Temperature Control (EATC)	AC --G
Partial premium touch Sensico sports seats with black neosuede inserts and red stitching	I2AHM
12-Way Ergonomic Power Adjust Driver's Seat with Memory (AGR certified)	BYPAH
12-Way Ergonomic Power Adjust Passenger Seat with Memory (AGR certified)	BYQAH
2nd row sliding seats	BWGAD
Front and rear heated seats and heated steering wheel	BY1AB
Keyless entry and Ford Power Start button (Keyless start)	CBGAR
Power front and rear windows with global closing	B2CAF
Quickclear heated windscreen	B3MAB
Pre-Collision Assist with Autonomous Emergency Braking, Evasive Steer Assist and Dynamic Brake Support	FBFAC
Adaptive Cruise Control (with Stop & Go with self-charging and plug-in hybrid powertrains)	GTDAK
BLIS (Blind Spot Information System)	HLLAH
Cross Traffic Alert when reversing with Emergency Brake Assist	HNYAB
Lane-Keeping Aid with Lane-Departure Warning, Lane Centering Assist included on all self-charging and plug-in hybrid powertrains	HLNAE
Recommended On The Road Price* from:	
£39,670	

* Recommended 'On the road' (OTR) price includes first year road fund licence, DVLA first registration fee £55 and an estimated £25 for number plates.

Ø The CO2 emissions test figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. For further information on CO2 and fuel performance please refer to our Fuel Consumption and CO2 section.

† Recommended 'On the road' (OTR) price includes first year road fund licence, DVLA first registration fee £55 and an estimated £25 for number plates.

* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 23/24 tax year. P11D value is the sum of Recommended price + VAT & Number plate charge (£25). If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £390) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £180 for petrol / diesel car or £170 for an electric car).

ELECTRIC TECHNOLOGY

Which electric engines is right for you?

SELF-CHARGING HYBRID (FHEV)

Hybrid vehicles have two sources of power. They can automatically switch between conventional mode, pure electric mode (for short distances) or use both to power the vehicle as needed. **Kuga FHEV has a battery capacity of 1.1kWh which allows short term electric propulsion, a great combination between power and fuel efficiency, whilst reducing the CO2 footprint compared to a conventional engine.**

PLUG-IN HYBRID (PHEV)

Plug In. Charge up. Improves Efficiency versus a mild hybrid or hybrid engine. Plug-in Hybrids have the two sources of power like a hybrid, but with a larger high voltage battery, enabling you to drive longer distances on all-electric power. **Kuga PHEV has a battery size of 14.4 kWh which gives a maximum EV range of 42 miles. This results in a combined average fuel economy up to 313.9 mpg and only 21 g/km CO2**.**

Electric range

* Ranges are estimates only and depend on the vehicle, road conditions and driving behaviour.
 ** Please see the Fuel Consumption and CO2 data available in this Pricelist

Charging the battery

SELF-CHARGING HYBRID

There's no need to plug in your vehicle for charging. Hybrid vehicles are able to recharge the battery in two ways:

- 1) Regenerative braking
- 2) Conventional engine

The conventional engine powers the generator which transforms mechanical energy into electrical energy to charge the battery.

All four electric vehicle types use regenerative braking to charge the battery. While braking, the motor is still spinning even though the car is trying to slow down.

Regenerative braking captures this typically wasted energy to create electricity, which charges the battery.

PLUG-IN HYBRID

The larger battery in Plug-in Hybrids can be plugged-in to charge. Once the battery is depleted, the vehicle behaves like a conventional hybrid with the engine running when required.

Plug in charging options

230V Wall outlet

Plug-in Hybrids and All-Electric vehicles can be charged on a 230V outlet (16A), which is the standard electrical socket in most UK households. This takes approximately 6 hours to charge the battery.

Ford Connected Wall Box Charger

If want to make recharging your Kuga Plug-In Hybrid at home as fast as possible, you'll need to install a wallbox. Simply talk to your Ford Dealer, who will work with our installation partner, British Gas. Once installed, you can fully recharge your Kuga from zero to full in 3-3.5 hours.

Public charging stations

Public charging stations, available in many cities and work places. The price and charging capability vary.

Options

Standalone Option Availability

	Titanium	ST-Line	ST-Line X	Active	Basic Recommended Retail Price £ (exc. VAT)	Total Recommended Retail Price £ (Inc VAT)

FUEL CONSUMPTION & CO2

The fuel consumption and CO2 emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions which may vary based on optional extras (these are also WLTP test figures).

Engine	Fuel Type	Available On	Euro Emissions	Transmission	Drive	Maximum Power PS (KW)	Torque Nm	Combined Fuel Consumption (WLTP)				CO2 Emissions (WLTP)	
								Lowest Performing (MPG)ø	Highest Performing (MPG)ø	Lowest Performing (L/100km)ø	Highest Performing (L/100km)ø	Lowest Combined Performing (Co2)ø	Highest Combined Performing (Co2)ø

ø The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP). The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

øø For Plug-in Hybrid (PHEV) models, these figures were obtained using a combination of battery power and fuel. PHEV models require an electricity source for charging.

* Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, vehicle maintenance, and lithium-ion battery age. WLTP equivalent all-electric range reflects a combined driving cycle and WLTP Extra High reflects motorway driving – both tests are conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load.

For any more information about any of the included Ford Accessories, or to view a full range of Ford Accessories visit www.ford-accessories.co.uk
 This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.
 Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

FORD PROTECT

Every new Ford Kuga is protected by a 3 year/60,000 mile Ford Warranty. In addition, it will also come with Ford Assistance for 1 year, providing roadside assistance in the UK and throughout Europe.

Ford Protect New Vehicle Extended Warranty

If you plan on keeping your vehicle for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 mile warranty to either 4 years/80,000 miles or 5 years/100,000 miles.

Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Protection against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts
- Ford Protect New Vehicle Extended Warranty plans can be purchased any time up until the vehicle's first date of registration

Ford Protect Service Plan

You can also purchase a Ford Protect Service Plan giving you the option of scheduled services and Ford Assistance for the duration of your plan.

Features:

- Scheduled Servicing; covers servicing in accordance with Ford Standard Service Schedules including associated parts and labour, for the number of services applicable to your plan.
- Replacement brake fluid (every other year)
- Extended Ford Assistance; roadside assistance in the UK and throughout Europe
- Up to 7 days vehicle hire if any warranty work cannot be completed within 24 hours
- The Ford Protect Service Plan can be purchased up to 12 months from date of registration or before the first service is due (whichever is the sooner)

Ford Protect Wear and Tear Plan

You may choose to purchase a Ford Protect Wear And Tear Plan, which provides replacement or repair of the following parts:

- Brake Pads, Shoes, Disks, Clutch Friction Plate, Shock absorbers silencer, wiper blades and bulbs
- Must be purchased before vehicle is 90 days old (Terms & Conditions apply)

Ford Protect Service Plan Plus

You may choose to purchase a Ford Protect Service Plan Plus giving you the benefits of the Service Plan and also includes a Wear and Tear Plan (including extended warranty for 4 year plans).

Features:

- All items covered within the Service Plan and the Wear and Tear Plan
- Ford Protect Service Plan Plus can be purchased any time up until the vehicle's first date of registration

Notes and Conditions

- The length and mileage of your plan applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- Base Warranty on High Voltage Components - 5 years/ 60,000 miles and High Voltage Battery - 8 years / 100,000 miles
- Please contact your nearest Ford dealer for information on service intervals
- It is a condition of Ford Protect Service Plan and Ford Protect Service Plan Plus that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- In addition your Ford Service History Log must be kept up-to-date
- Subject to the terms and conditions of the Ford Protect Plans
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if your decide to sell your vehicle
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty, Service Plan, Wear and Tear Plan or Service Plan Plus and their associated Terms and Conditions or alternatively call Ford Protect on 03702 416726, Option 2, Option 2, or visit www.ford.co.uk

The delivery charge is included in the Basic Recommended Retail Price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). All CO₂ emissions figures in g/km are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.'

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

The chart above shows the Bands and the VED which will be levied (for vehicles registered from 1st April 2023 onwards).

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £390) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £180 for petrol / diesel car or £170 for an alternative fuel car).

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within six months, and in any event, as soon as your vehicle is available. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Recommended On The Road (OTR) prices and Recommended Retail Prices (RRP), please contact your Ford dealer for final sale prices.

This price list is effective from 17th January 2024 and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
